6. Main topic for open discussion – Bringing the village community together
This topic generated a lively discussion resulting in:
 - An intention to develop a social committee separate from the existing village organisations;
 - Agreement by residents Karen Howard, Emma Thorp and Fiona Spires to initiate this;
 - A discussion surrounding communication about local events and activity.

Karen Howard presented proposals for playground equipment to be installed on the playing field, subject to a successful application for funding of around £20,000 to Grantscape. Ufford Parish Council had committed approximately £2,500 as seed funding to assist with the application and had agreed to manage the funds and purchasing process.
