

We are holding another Macmillan coffee morning at the Reading Room in Bainton on **Saturday 20th September 2025 between 10.00-14.00** hours, so please save the date and support us if possible whilst also enjoying a drink & cake with friends & neighbours.

Our last one was held on the 22nd July 2023 to support Emma who very sadly lost her brave battle against cancer just prior to Christmas 2024.

Macmillan were absolutely amazing with their unwavering support for Emma during her illness and her husband Kevin and there two girls Ava & Quinn. So, in memory and to acknowledge there continued work & support we are holding another coffee morning combined with a Tombola and a few other fun things to help support this amazing charity.

If you do have any unwanted gifts that we could give as prizes for the tombola they would be most welcome (to Clive & Lynda Haylett at Limrose, Barnack Road, Bainton PE9 3AE or we can also collect by phoning 07729925097) if not all we would be most grateful for is your support on the day.

So please share this and invite your friends/family as everyone is welcome and you will be supporting and helping a fantastic charity against such a cruel illness that sadly effects so many people we all know and love.

Many thanks
